Community Services of Starke County, Inc., Transportation Services is committed to providing equal access and opportunity to qualified individuals with disabilities in all programs, services, and activities. Community Services of Starke County, Inc., Transportation Services recognizes that in order to have equally effective opportunities and benefits, individuals with disabilities may need reasonable modifications to policies and procedures. Community Services of Starke County, Inc., Transportation Services does not discriminate on the basis of disability in admission to, participation in, or receipt of services and benefits under any transit program or activity. Community Services of Starke County, Inc., Transportation Services will take appropriate steps to ensure that persons with disabilities have an equal opportunity to participate.

No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of Community Services of Starke County, Inc., Transportation Services, or be subject to discrimination by Community Services of Starke County, Inc., Transportation Services.

3. Reasonable Modifications

Reasonable modification is a change or exception to a policy, practice, or procedure that allows disabled individuals to have equal access to programs, services, and activities. Community Services of Starke County, Inc., Transportation Services will make reasonable modifications to policies, practices, and procedures when necessary to ensure access to transit services for qualified individuals with disabilities, unless:

- Making the accommodation would fundamentally alter the nature of the public transportation service.
- Making the accommodation would create a direct threat to the health or safety of other passengers.

- The individual with a disability is able to fully use Community Services of Starke County, Inc., Transportation Services' services without the accommodation being made.

For the purposes of this section, the term reasonable accommodation shall be interpreted in a manner consistent with the term "reasonable modifications" as set forth in the Americans with Disabilities Act Title II regulations at 28 CFR 35.130(b)(7), and not as it is defined or interpreted for purposes of employment discrimination under Title I of the ADA (42 U.S.C. 12111-12112) and its implementing regulations at 29 CFR part 1630.

4. Eligibility Criteria

An individual is eligible to be considered to receive a reasonable modification if that individual has: a physical or mental impairment that substantially limits one or more of the major life activities of such and individual; a record of such impairment; or been regarded as having such impairment.

5. Requests for Reasonable Modifications

Community Services of Starke County, Inc., Transportation Services shall make information about how to contact Community Services of Starke County, Inc., Transportation Services to make requests for reasonable modifications readily available to the public through its website and rider policy guidelines. Community Services of Starke County, Inc., Transportation Services shall follow these procedures in taking requests:

- a. Individuals requesting modifications shall describe what they need in order to use the service.
- b. Individuals requesting modifications are not required to use the term "reasonable modification" when making a request. - c. Whenever feasible, Community Services of Starke County, Inc., Transportation Services request that individuals make such requests for modifications before Community Services of Starke County, Inc., Transportation Services is expected to provide the modified service.
- d. When a request for modification cannot practicably be made and determined in advance (e.g., because of a condition or barrier at the destination of a paratransit, demand response, or fixed route trip of which the individual with a disability was unaware until arriving), operating personnel shall make a determination of whether the modification should be provided at the time of the request. Operating personnel may consult with the Community Services of Starke County, Inc., Transportation Services' management before making a determination to grant or deny the request.

Requests for accommodation may be made either orally or in writing. The reasonable accommodation process begins as soon as the request for accommodation is made.

The request can be submitted in any written format. Alternative means of filing a request, such as personal interviews, phone calls, or taped requests, will be made available for persons with disabilities if unable to communicate their request in writing or upon request.

6. Interactive Process

When a request for accommodation is made, Community Services of Starke County, Inc., Transportation Services and the individual requesting an accommodation must engage in a good faith interactive process to determine what, if any accommodation shall be provided. The individual and the Community Services of Starke County, Inc., Transportation Services must communicate with each other about the request, the process for determining whether an accommodation will be provided, and the potential accommodations. Communication is a priority throughout the entire process.

7. Time Frame for Processing Requests and Providing Reasonable Modification

Community Services of Starke County, Inc., Transportation Services will process requests for reasonable accommodation and then provide accommodations, when appropriate, in as short a time frame as reasonable possible. 8. Granting a Reasonable Modification Request

As soon as Community Services of Starke County, Inc., Transportation Services determines that a reasonable accommodation will be provided, that decision shall be immediately communicated to the individual. This notice must be in writing in order to maintain the required information for reporting purposes. Upon request, alternative means of response will be provided.

In choosing among alternatives for meeting nondiscrimination and accessibility requirements with respect to new, altered, or existing facilities, or designated or specified transportation services, Community Services of Starke County, Inc., Transportation Services shall give priority to those methods that offer services, programs, and activities to qualified individuals with disabilities in the most integrated setting appropriate to the needs of individuals with disabilities.

9. Denying Reasonable Modification Request

As soon as Community Services of Starke County, Inc., Transportation Services determines that a request for reasonable accommodation will be denied, Community Services of Starke County, Inc., Transportation Services will communicate the basis for the decision in writing to the individual requesting the modification. The explanation for the denial will clearly state:

- a. the specific reasons for the denial;
