Happy Holidays and Happy New Year!

You are receiving this membership request because of your loyal support in the past to Community Services. Last year, over 5,000(!) people throughout Starke County were assisted in some way by the many services and programs such as transportation, the food pantry, energy assistance, Salvation Army, Homemaker Services, Senior Meals & Activities, just to name a few. Many of the programs are funded through federal and state sources, however, they require local match dollars ranging from 20-50%. That is why your annual membership contribution is so vitally important—to maintain the services provided to our senior citizens and low-income households.

Membership dues of \$5.00 per person can help in so many ways—providing food to families, transportation for the elderly, homemaker services, home-delivered meals, and sustaining the two senior centers in Knox and North Judson. In 2018, we are hoping to replace the flooring at the Knox Senior Center.

Please renew your membership or consider becoming a member for the first time. Also consider making an additional contribution which will stay local to help Starke County residents. As a member, you will be invited to attend the annual membership meeting, help to elect board members who serve a three-year term, and approve the plans for the following year. You will also receive our quarterly newsletter to keep you up to date on the activities and services at Community Services. If you have already renewed, thank you for your continued support..

Please consider completing the membership application below and returning it to Community Services of Starke County, and share with others the benefits of providing a long-term investment in your community.

Sincerely,

Charmaine Dunkel
Executive Director

Community Services of Starke County, Inc.
