Occasionally we get cat and dog food. We can deliver some with your food bag if you wish.

On a monthly basis, the Food Bank of Northern Indiana will deliver a bag of food to the housing complex where you are living. In this bag you could find a vegetable, fruit, canned tuna or chicken, pasta sauce, pasta, potato or rice, a dinner helper, a breakfast item, bread, and if available, meat. We ask that you please return the bag to the housing manager so we may refill and reuse the bag next month. Please return this form to your housing manager so the Food Bank will have an accurate count of bags required.

Thank you! The Food Bank Staff
