

WANT TO *impact*
your community?

**NORTHWEST INDIANA
COMMUNITY ACTION**

People with basic taxes often find tax filing overwhelming and need your help! Many want to file but can't afford to pay hundreds of dollars that most paid tax preparers require.

VITA volunteers help prepare taxes, greet participants as they arrive, or screen documents for completion.

Your service in this program returns millions of dollars to our local community!

- ✓ **No Previous Experience Required**
- ✓ **Flexible Hours & Convenient Location**
- ✓ **Training Materials and Meals Included**
- ✓ **Free & Easy-to-Understand IRS Certification Provided**

We are adding training sessions now
for the upcoming tax season. Contact Carolyn Brown at
